

The Support Group

Our mission is to provide exceptional customer service and be your trusted partner in delivering quality solutions and training.

Who we are

30+ years

- Trusted, reliable and stable
- One of the first companies to provide professional FileMaker support services
- Extensive experience and expertise building and improving FileMaker systems of all types

4 Offices

- Boston
- New York
- Los Angeles
- San Francisco

20+ staff

- Highly skilled, certified FileMaker, Web and SQL developers on staff
- Founder, Rich Columbre is two-time FileMaker Excellence award winner, noted industry expert and lecturer

What we do

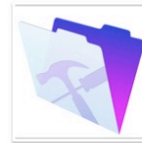

FileMaker Design & Development

- New solutions
- Existing FileMaker database enhancements
- On-site FileMaker Systems Audits
- Annual FileMaker maintenance

FileMaker Training & Mentoring

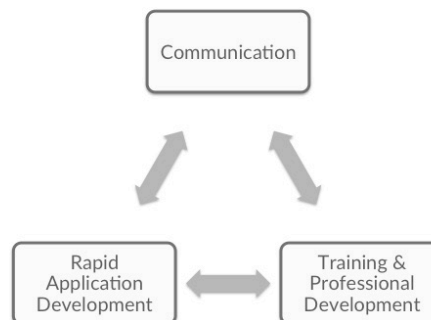

- Introduction, Intermediate, and Advanced training at one of our state-of-the-art training centers or at your office
- FileMaker mentoring to provide the accelerated learning that comes from working one-on-one alongside an experienced FileMaker Certified Developer

Web & Mobile

- Securely connect your existing FileMaker solution(s) with the web using technologies like HTML5, PHP, CSS, XHTML, XML, AJAX, and JavaScript
- Custom FileMaker solutions for iPads and iPhones (the iOS platform), Android smartphones, and other mobile devices

How we do it

With Platinum Level FileMaker Business Alliance (FBA) membership, Authorized Trainer status and multiple FileMaker Certified Developers on staff, we are one of only a handful of companies in the U.S. with this level of recognition from FileMaker
